

# WALLSPACE from

Present the right image with WALLSPACE from **Swift Business Solutions**

Made in the UK by [OfficePlan](#)

**Office space is a premium and Wallspace is proven to be an effective solution to maximise this space. We can demonstrate that three 4 drawer traditional filing cabinets, ie 12 filing drawers, can fit into one single metre wide Wallspace bay. (nominal 2.6m high and using a combination of four roll-outs plus three standard filing frames)**

**For further details on this and our other ranges please contact our [Sales Team](#) on 01922 743454**
